

Dear Parents

Greetings!

This is to share inputs in reference to **Science Olympiad Foundation (SOF)**. SOF was established by leading academicians, scientists and media personalities with an aim to identify and nurture future scientists, technologists and IT talent at the school level. Olympiads are not just only the exams, they do a lot more to bring out the best in a child. Trying for and giving Olympiads motivate students to strive for better. SOF Olympiad exams are diagnostic tests aimed at assisting students and parents identify weak areas in each student and improve them through focused efforts. SOF Olympiads also acknowledge good performance, motivate and make students ready for the competition.
